**Hal Leonard Corp. : Acoustic Guitar Songbook: Guitar Play-Along Volume 2** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Acoustic Guitar Songbook: Guitar Play-Along Volume 2:

0 of 0 people found the following review helpful. Definitely one of the funnest tab books I haveBy LadyAwesome. There's a succession of chords in Blackbird that initially seemed a bit awkward to me as tabbed (C, C#, D, D#), but if you keep your ring finger on the B string, it's pretty easy. There's a cheat that involves moving the same chord shape up and down the neck, but the tab in this book is better, IMHO. Nice choice of songs.5 of 8 people found the following review helpful. The good with the mediocreBy Ger LThis volume, like the others in the series, is mainly chord strumming. There are a couple of pieces for which single notes, and embellished and partial chords are used. These arrangements are worthwhile, but the majority are pretty shallow and best for comping. When you play them, the song may be recognizable, but it won't be melodically complete.One problem that is common to so many of this type of CD

accompanied books, is that the guitar part is never offered in complete isolation. Percussion and other musical support sounds fine for listening, but to best learn the piece, a clean solo would be more helpful. I think the percussion, etc. is included to mask that weak arrangements of the strumming songs. 1 of 2 people found the following review helpful.  
Fun book for practice  
By johnnyk  
This is a great book to keep your acoustic chops up. If you get bored with playing scales and arpeggio study and would rather practice by playing songs this is a great tool.

(Guitar Play-Along). The Guitar Play-Along Series will assist you in learning to play your favorite songs quickly and easily. Just follow the tab, listen to the audio to hear how the guitar should sound, and then play along using the separate backing tracks. The melody and lyrics are also included in case you want to sing, or to simply help you follow along. 8 songs, including: Angie \* Behind Blue Eyes \* Best of My Love \* Blackbird \* Dust in the Wind \* Layla \* Night Moves \* Yesterday.

About the Author  
Founded in 1947, Hal Leonard Corporation has become the world's largest print music publisher, representing some of the greatest songwriters and artists of all time.
