Richard Boleslavsky : Acting: The First Six Lessons before purchasing it in order to gage whether or not it would be worth my time, and all praised Acting: The First Six Lessons:

0 of 0 people found the following review helpful. Fabulous!By A.F.I think this book is one of the best books on acting ever. It is great to read as a beginner and wonderful to come back to as a more seasoned actor. Every time you read it you get something new.

This timeless work on acting is one of the very few that stands beside Stanislavsky as a must-have for both acting

students and professionals. Richard Boleslavsky's *Acting: The First Six Lessons* is a treasure-box of wise observation about the art of acting, all wrapped up in six charming dialogues between a teacher and a student. Generations of actors have been enriched by Boleslavsky's witty and acute picture of the actor's craft. These six "lessons" miniature dramas about concentration, memory of emotion, dramatic action, characterization, observation, and rhythm distill the challenge facing every actor. For this reissue the text has been entirely reset and the book jacketed in a contemporary design. An essential work on the short shelf of any acting student.
