Actors and Performers Yearbook is an established and respected directory that enables actors to find work in stage, screen and radio. It is the only directory to provide detailed information for each listing and specific advice on how to approach companies and individuals, saving hours of further research. From agents and casting directors to producing theatres, showreel companies and photographers, Actors and Performers Yearbook editorially selects only the most

relevant and reputable contacts for the actor. Formerly known as Actors' Yearbook, Actors and Performers Yearbook features articles and commentaries, providing valuable insight into the profession: auditions, interviews and securing work alongside a casting calendar and advice on contracts and finance. This is an incredibly useful professional tool in an industry where contacts and networking are key to career survival. The listings detailed in this edition have been thoroughly updated alongside fresh advice from industry experts.
