Sarah Rutherford : Adult Supervision (Oberon Modern Plays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adult Supervision (Oberon Modern Plays):

I keep trying to find something a bit exotic in my family tree. Best I could do was a great-grandma who looks a bit

tanned in the old photos.'US election night 2008. A smart innerLondon 'village'. For white exlawyer Natasha, adoptive mother to two Ethiopian children, tonight is the ideal opportunity to get to know the small handful of other 'mothers of children of colour' at their smart private school. But as the Obamatinis start to flow, the middleclass veneer begins to crack and Natasha's carefully planned social occasion quickly unravels. Lifting the lid on a stew of racial tensions and social embarrassments, this is a hilarious, provocative and brilliantly insightful look at the new 'Beige Britain'.
