From North Light Books : Adventures in Mixed Media Art: Inspiration, Techniques and Projects for Painting, Collage and More before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adventures in Mixed Media Art: Inspiration, Techniques and Projects for Painting, Collage and More:

70 of 71 people found the following review helpful. New Cover- Old content By Rikelle Brande I hate to say it but I am

little disappointed by this book. The quality of the artwork and projects are fantastic - if I hadn't already seen them. Every project is from other North Light publications, that I already own, the photography and content is the same. I wish I had known that. If you don't own many North Light Books on mixed media such as "A Flavor for Mixed Media" then this would be a great sampler and i would highly recommend buying the book. However, if you do, you won't see anything new - at all. It would be better if this book were named, "A collection of some of our best projects from our other books you probably already own."0 of 0 people found the following review helpful. I like this bookBy nikkita mitchellI like this book. It is more about learning techniques to empower your own art; rather than trying to copy the writer's designs. Great addition to my mixed media book collection.0 of 0 people found the following review helpful. Wonderful book. Great way to learnBy AccountWonderful product. Walks you through projects step by step. Great way to learn

Are you inspired by mixed-media art but don't know where to start?Adventures in Mixed Media Art is the ultimate guidebook for embarking on your own creative adventure! Featuring 20 favorite mixed-media projects from the bestselling North Light backlist, this "best of the best" collection will motivate any would-be artist to start creating!Beginning with motivational readings, you will discover and learn to refine your creative energy by discovering what inspires you. Then you are ready to create your very own art journal using guided mixed-media techniques, including hand lettering and basic painting and collage techniques.When you're ready to create and refine your signature style, you'll start creating canvas paintings, collages and assemblage pieces based on projects from popular mixed-media artists like Dina Wakley, Mary Beth Shaw, and more. Even if your project doesn't turn out as planned, the book includes helpful tips and techniques for repurposing those pieces into a new work of art you can proudly display. The book also includes collaborative projects so you can encourage others to start their own Adventures in Mixed Media!

About the AuthorAmy Jones is an associate content developer for North Light Books. She is the co-editor of Zen Doodle: Tons of Tangles. You can frequently find her trying mixed-media techniques from the books she edits or reading British literature.
