Just what I was looking for. I've used Dover books for years.0 of 1 people found the following review helpful. Book it is self cool, but the book recievied....By Kimberly JacaloneI dont recall if this was a "new" or "used", but some of the pages have the illustrations cut out :-(1 of 2 people found the following review helpful. Great Collection of IllustrationsBy J. JenkinsGreat book of illustrations for the time period. I've seen some of these turned into rubber stamps so it's a good source of copyright free material.

Lively collection of royalty-free spots for commercial artists dramatizes a host of enterprises: business, communications, education, industry, construction, transportation, legal and healthcare services, sports, travel, entertainment, and much more mdash; all conveniently arranged by category for ease of use.

From the Back CoverBy the early 1920s, a streamlined approach to illustration had replaced the more sentimental and formal conventions of the late Victorians. Often full of zest and humor, and exhibiting the highly stylized influences of Art Deco, this innovative artwork revolutionized the world of advertising, as documented in this rich treasury of copyright-free spot illustrations.
