Jeri Mills : African Americans in Nacogdoches County (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised African Americans in Nacogdoches County (Images of America):

0 of 0 people found the following review helpful. It's a good reference for that reason aloneBy Hossen HeffaFull of images primarily. It's a good reference for that reason alone. Unless you are familiar with the families in Nacogdoches County, you'll probably have to contact someone who knows someone to assist in any research you might be doing. I donated my copy to my university library.1 of 1 people found the following review helpful. Loved every page of this bookBy Archie Lee Rison, Jr.Loved every page of this book. I have a very personal connection to it. Would recommend reading if you are interested in East Texas history of African Americans.0 of 0 people found the following

review helpful. I enjoyed reading the bookBy Susan HildrethI enjoyed reading the book, great history. I recommend this book to all those who love about African American History.

Typical of most communities after the Civil War, Nacogdoches's African Americans had to repurpose their lives by building their own communities while they carved a life of survival first and progress second. The images in this book will tell the stories of the first churches and how they became the center of the community. Other images will share information about the early leaders in the community who helped establish educational facilities for Negroes. Additional images focus on black businesses, and a final set of images will discuss the emerging black middle class and others who played significant roles in Nacogdoches history. Readers of this book will go on a journey, through images, that highlights residents' pains of struggles and gains of triumph.

About the AuthorAuthor Jeri Mills is a retired educator who attended Texas College in Tyler, Texas, and received her bachelor of science degree from Jarvis Christian College in Hawkins, Texas, and master's degree from Georgia State University in Atlanta, Georgia. Mills, with several published works to her credit, is a contributing writer for a local newspaper and active researcher and writer on African American history. She enjoys writing to inform and entertain.
