John M. Brewer Jr. : African Americans in Pittsburgh (Black America Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised African Americans in Pittsburgh (Black America Series):

0 of 0 people found the following review helpful. Excellent book.By CustomerMy 93 year old mother grew up in Pittsburgh and experienced many of the references in the book. It brought back many memories for her!0 of 0 people found the following review helpful. Great PicsBy Mercedes P. BrownFor anyone who grew up in Pittsburgh or have relatives and/or friends in Pittsburgh and you love history this is a great book. Not much verbiage but great photos that say a 1,000 words. Glad I found this on .0 of 0 people found the following review helpful. Love it!!By C. FontenotBeing a native of Pittsburgh, it was so beautiful to see the city during its glory days...especially Homewood! Loved it!

African Americans in Pittsburgh chronicles the distinct trends in this African American community. There was never one centralized neighborhood where a majority of the black population lived, and city schools were integrated until after desegregation laws were passed. Photographs captured by famed Pittsburgh photographer Charles "Teenie" Harris show the candid experiences of residents, including the achievements and celebrations of people struggling to put scraps of food on the table.

About the Author John M. Brewer Jr. is a historian and consultant for the Pittsburgh Courier archive project, a consultant for the Carnegie Museum of Art's Charles "Teenie" Harris photograph project, and the curator and founder of the Trolley Station Oral History Center.
