**Lucy Peck : Agra (Intach Roli Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Agra (Intach Roli Guides):

Few people know just how much more there is to Agra than the Taj Mahal. A recent listing by INTACH has identified many beautiful ruined Mughal gardens, tombs and mosques, colonial buildings, and havelis along the winding lanes of the old city. For those who want to range wider than the normal tourist route, Lucy Peck's new book takes the visitor through historic Agra and Fatehpur Sikri, revealing the lesser-known buildings to be found in both places. It is

illustrated with photos, line drawings and numerous maps, many of which feature walks through the historic areas.
