Weiwei Ai : Ai Weiwei: Sunflower Seeds (The Unilever series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ai Weiwei: Sunflower Seeds (The Unilever series):

Born in Beijing in 1957, Ai Weiwei is one of the most influential artists at work today and has exhibited widely in Asia, Europe and North America. He is the first artist living and working in the Asia-Pacific region to be commissioned as part of The Unilever Series to create an artwork for the vast Turbine Hall at Tate Modern. Ai Weiwei has said liberty is about the right to question everything. His works in a wide range of media are characterized by social and political engagement and a constantly enquiring mind. Whether as an artist, curator, critic, designer or architect, he has played a key part in contemporary Chinese art and culture of the past two decades, not least through his collaboration with architects Herzog de Meuron in designing the 'Bird's Nest' stadium for the 2008 Beijing

Olympics. This book provides important insights into the creative processes of this exciting and dynamic contemporary artist. The ebook includes two specially made films.
