The notation is easy enough to follow...but most of the songs in Aladdin are very complicated, and played at a VERY fast pace. I am an intermediate player, and it is a bit difficult for me to hit the pace these should be played at the first time. A beginner will have to practice quite a bit to play them so they are recognizable, and there are lots of page turns because the notes are big. I gave mine to a music teacher, she will probably play it for voice students to sing with.0 of 0 people found the following review helpful. Great product. Use these for my piano students so they can understand note reading, sound out and compose some of their own pieces.2 of 2 people found the following review helpful. Disney Aladdin for Easy PianoBy Marilyn Baldauf CooneyCould be easier to rate the "Easy" label. My

five year old will have to grow into it before she can play it.

(Easy Piano Songbook). Easy piano arrangements for Disney's animated film featuring songs from Alan Menken, Howard Ashman and Tim Rice. Complete with full-color art from the movie! 7 songs in all, including: Arabian Nights \* Friend like Me \* One Jump Ahead \* One Jump Ahead (Reprise) \* Prince Ali \* Prince Ali (Reprise) \* A Whole New World.
