Maureen Paton : Alan Rickman: The Unauthorised Biography before purchasing it in order to gage whether or not it would be worth my time, and all praised Alan Rickman: The Unauthorised Biography:

144 of 145 people found the following review helpful. What the Hell??By L. DavisIf you enjoy Alan Rickman as an actor, Do Not Buy This Book. It is badly written, jumps from subject to subject, repetitive blobs to fill space, and plenty of unrelated "quotes" from no one in particular. I now know way much about Mr. Rickman's, early next door neighbor's 3rd cousin now. Being an American, she happily does not supply definitions for British words and organizations. To add insult to injury, Maureen Paton seems to believe that she can connect his personality to his hair style and that the two of them have "much in common." Buy the time I was half way done (where I stopped reading)

Alan Rickman is rendered as the most Pompous Ass on the planet. Is she a fan???0 of 0 people found the following review helpful. Five StarsBy michele.Great book150 of 153 people found the following review helpful. My apologies to Alan RickmanBy Mrs BabooEven 1 star is too much for this awful book. It is quite painfully bad. I am amazed that this book was published at all and I would discourage anyone from buying it. It is poorly written and has absolutely nothing to offer but lame attempts at "dirt" (Alan Rickman gets annoyed once in a while. Oh, the horror!), cheap innuendos and out-of-context quotes from friends and/or enemies.A book like this is a terrible price to pay for celebrity and I am embarrassed to admit that I have read it. Sorry, Alan.

In this revised and updated biography, Maureen Paton encompasses the private, professional and political life of this most enigmatic, charismatic and intensely private of actors.

'An illuminating profile' PremiereAbout the AuthorMaureen Paton is a freelance journalist specialising in arts, showbusiness and women's issues.
