My wife teaches piano and she says it's by far the best.2 of 2 people found the following review helpful. Great!By Hillary LutonI am finally taking the time to learn how to play

piano and having an adult book is very helpful. I know how to read music, but never learned piano. Looking forward to using this book. 2 of 2 people found the following review helpful. Good book to learn pianoBy bamapatyMy grandson is learning to play the piano. I was taught nearly 50 years ago with John Thompson. This book is different but just as good to learn from.

Alfred's Basic Adult All-in-One Course is designed for use with an instructor for the beginning student looking for a truly complete piano course. It is a greatly expanded version of Alfred's Basic Adult Piano Course that will include lesson, theory, technic, and additional repertoire in a convenient, "all-in-one" format. This comprehensive course features written assignments that reinforce each lesson's concepts, a smooth, logical progression between each lesson, a thorough explanation of chord theory and playing styles, and outstanding extra songs, including folk, classical, and contemporary selections. At the completion of this course, the student will have learned to play some of the most popular music ever written and will have gained a good understanding of basic musical concepts and styles.
