I'm not quite ready for the music yet, but I'm getting there. 0 of 0 people found the following review helpful. **Five Stars** By Arnie Still working on it but its fun. 3 of 3 people found the following review helpful. Beautiful versions of

Christmas music By Barbara Kehoe I've been practicing the music in this book for about a month. I love all of the versions (except silent night - I don't care for this version of that song.) I love the way these songs sound, and enjoy playing them. I am halfway through level 2 of the course, and can play these songs fairly well after about 10 days of practice. They are great for listening to, but are not sing along versions. You can't play them and have someone sing along.

This collection by one of Alfred's most popular composers is full of easy solo arrangements of favorite Christmas carols for adults who are studying Alfred's Adult All-in-One Course, Book 1. Each selection will bring enjoyment and inspiration to lift holiday spirits!
