The songs become more difficult with each page, but nothing I can't read-- even if I can't play the harder ones very well. I find it fun and challenging. I would have given it five stars if not for the inclusion of Grandma got Run Over by a Reindeer. I will never understand, nor support, that ugly tune!0 of 0 people found the following review helpful. so far it's just right for my beginners level, ...By Leaannso far it's just right for my beginners level, just wish when something new was introduced it would have given more instructions.
