Good Selection of musicBy Kindle CustomerDefinitely enjoying playing these and eager for more (another book??). the arrangements are great for my students and I can add more of my own embellishments as I choose to make the sounds fuller. There were only 2 out of the 12 songs that I was not familiar with, but they were easy to become familiar with....2 of 2 people found the following review helpful. Good addition to the Basic Adult Piano CourseBy Bobbie Jo SmithI'm really enjoying this book. This is a great addition to the Alfred's Basic Adult Piano Course. The service, product, and price were great. Thank you.0 of 0 people found the following review helpful. Classic countryBy masquinerI was hoping for some newer country songs but these were ok.

I am a beginner self taught pianist and I was able to play most of them

A wide variety of country tunes are included with lessons that teach the stylistic elements of country music, such as the addition of grace notes, certain styles of bass playing, and the use of parallel thirds and sixths.
