Willard A. Palmer, Morton Manus, Amanda Vick Lethco : Alfred's Basic Piano Library - Lesson Book 1A: Learn How to Play Piano with This Esteemed Method before purchasing it in order to gage whether or not it would be worth my time, and all praised Alfred's Basic Piano Library - Lesson Book 1A: Learn How to Play Piano with This Esteemed Method:

0 of 0 people found the following review helpful. It's a pretty comprehensive beginner book. By Coco Kokiats Got this for a 5 yrs old. It's a pretty comprehensive beginner book. I'm not sure if it's sufficient to stand alone. I think he might need a simple song book to complement it. Otherwise the lesson will be too boring. 1 of 1 people found the following review helpful. Love this series for my piano students! By Ellen M. DuBois I love the Alfred's Basic series for my piano students. From the young beginner to advanced piano students, these books teach practical theory and have a wide assortments of songs that progress in difficulty at a decent pace. They also get students reading the staff rather quickly. Workbooks, Solo Books and Technique Books are also wonderful supplements to this teaching series. Highly recommended for piano teachers and their students. 0 of 0 people found the following review helpful. I just started on this book with my 5 and ... By Rojo Dominique I just started on this book with my 5 and 7 year old. We have a keyboard, not a piano. This helps me teach the basics to my children before I commit to paying for a teacher.

This easy step-by-step method emphasizes correct playing habits and note reading through interval recognition. Lesson Book Level 1A begins by teaching basic keyboard topography and fluent recognition of white key names in relation to black keys. It focuses on simple rhythms and prepares students for intervallic reading with entertaining songs that focus on "same," "stepping up" and "stepping down." It then introduces lines and space notes in treble and bass clefs, melodic and harmonic intervals of 2nds, 3rds, 4ths and 5ths, and graduates to reading on the grand staff. It also introduces the flat and sharp signs. This course is most effective when used under the direction of a piano teacher.
