I had given piano lessons from this book and would highly recommend it to any student in this level. Has a beautiful arrangement of Amazing Grace. Also, delivered promptly.

The Recital Books in Alfred's Basic Piano Library congratulate students for a job well done by providing correlated repertoire to their Lesson Books that are based on concepts they've already learned. As a result, the pieces are quickly mastered. Recital Book Level 4 comprises mostly arrangements of familiar tunes like "Country Gardens" and "Amazing Grace," and a few new originals as well.
