The hand positioning chart is really helpful for someone like me who has never had a lesson and needs to understand proper form, rather than just banging around on the keys. Within a few tries, I was able to get the basic melody. I only wish there were more songs and by the time I get the hang of these, I'll be sick of Christmas music for the next 11 months.0 of 0 people found the following review helpful.

Helps with the Alfred's piano courseBy Brent ButlerThese books fit into the Alfred's courses, providing extra material at various levels of skill as you progress in the course. They are not always arranged in a key that sounds the same as the song you are used to, as they are often transposed into "easier" keys, but they give you the sense of the turn, and a chance to hone your skills with a better variety of music than is included in just the course books.0 of 0 people found the following review helpful. Not quite beginner levelBy Donna AkersBought this for my 13 yr old daughter who has been taking lessons for about 6 months. This was a bit difficult for her, but we think as she progresses, she will be able to get more use or of the book.

These piano arrangements may be used by students in Level 2 of Alfred's Basic Piano Library or in the second book of any method. Titles: \* Feliz Navidad\* Frosty the Snow Man\* Home for the Holidays\* Let It Snow! Let It Snow! Let It Snow!\* Mister Santa\* Nuttin' for Christmas\* Rockin' Around the Christmas Tree\* Rudolph the Red-Nosed Reindeer\* The Chipmunk Song\* When Santa Claus Gets Your Letter
