Written for her age level as well as adult.1 of 1 people found the following review helpful. Great for absolute beginnersBy swati\_91A great book to learn the elementary basics of the guitar. I definitely recommend this for absolute beginners7 of 7 people found the following review helpful. Pretty Straight Forward Beginning InstructionBy D. ReinsteinIf 1) you have never had a

guitar lesson, 2) no one has ever taught you how to play four or five basic chords and 3) you are a good sit-by-yourself-and-learn kind of person, this book may be just what you are looking for. I bought it as a gift to give along with a person's first guitar - and it worked for them! Good luck to you, too!

Learn to play guitar and open up a brand new world of musical knowledge with this exciting method from Alfred. Beginners of all ages can start their journey to a lifetime of playing either acoustic or electric guitar. Beginning with the fundamentals, you will learn about various guitar types and the sounds they create, how to care for your very own guitar, and getting acquainted with standard musical notation and tablature. You will then move right along to playing different notes, chords, scales, and songs, lesson by lesson, all while continuing to increase your knowledge of reading and understanding standard musical notation and TAB. You will learn to play in an array of musical styles, including Rock, Heavy Metal, Blues, Country, Jazz and Folk. Near the end of the book, you will be introduced to advanced tablature techniques such as bends, slides, and palm muting, which will help you color your musical creations with your own unique, rockin' style. The book features the following helpful resources for reference during and after your lessons: \* Tablature Licks\* Dictionary of tablature techniques\* Guitar note chart\* Magic chord accompaniment guide\* Guitar fingerboard chart Be your own teacher, and let Alfred be your resource every step of the way.
