Lewis Carroll : Alice's Adventures in Wonderland (Modern Plays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alice's Adventures in Wonderland (Modern Plays):

When Alice falls down a mysterious rabbit hole she stumbles upon a magical fantasy world where anything can happen . . . Take tea with the Mad Hatter, meet the White Rabbit, grin with the Cheshire Cat, and play croquet with the Queen of Hearts, but whatever you do . . . don't lose your head! Lewis Carroll's classic characters spring to life in an

enchanting show for the whole family, bursting with music, madness and mystery. Simon Reade's adaptation of Lewis Carroll's much-loved fantasy classic *Alice's Adventures in Wonderland* is a witty and brilliantly inventive re-working, which won the TMA Award for Best Show for Young People.

[Former director/designer Melly] Still and Reade boldly resist temptations to create a cute, fluffy, Disneyfied landscape, instead embracing the physical limitations of theatre as a catalyst for the audience's collective imagination . . . It's a fresh, idiosyncratic pleasure. * Daily Telegraph on the original production *About the Author Simon Reade is Associate Producer for Theatre Royal Bath Productions and Producer for Filter Theatre Company.
