**Fred Goodman : Allen Klein: The Man Who Bailed Out the Beatles, Made the Stones, and Transformed Rock Roll** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Allen Klein: The Man Who Bailed Out the Beatles, Made the Stones, and Transformed Rock Roll:

0 of 0 people found the following review helpful. Five StarsBy Joseph Cerisano 111Loved it... What a character...0 of 0 people found the following review helpful. Excellent read!By JordinVery insightful and interesting. Great for anyone interested in learning more about Klein, and a must for all going into the music industry!0 of 0 people found

the following review helpful. Very Cool...By CustomerGreat music history!

Idquo;Fred Goodman makes this world come alive, and any fan of rock or insider tales of the music industry will be in heaven reading about this fascinating, troubling character.rdquo; mdash; Judd Apatow, Omnivoracious Idquo;Writing about contracts, percentages, and deals can be tedious, but Goodman makes it as exciting as reading about an artistsquo;s sex life. The book explodes with inside dope.rdquo; mdash;New York Daily News Allen Klein was like no one the music industry had seen before. Though he became infamous for allegedly causing the Beatlesrsquo; breakup and robbing the Rolling Stones, the truth is both more complex and more fascinating. As the manager of the Stones and then the Beatlesmdash;not to mention Sam Cooke, Pete Townshend, Donovan, the Kinks, and numerous othersmdash;he taught young soon-to-be legends how to be businessmen as well as rock stars. While Klein made millions for his clients, he was as merciless with them as he was with anyone, earning himself an outsize reputation for villainy that has gone unchallenged until now. Through unique, unprecedented access to Kleinrsquo;s archives, veteran music journalist Fred Goodman tells the full story of how the Beatles broke up, how the Stones achieved the greatest commercial success in rock history, and how the music business became what it is today. Idquo;Fred Goodman is a superb writer . . . and his account here of one of rock rsquo;nrsquo; rollrsquo;s most polarizing figures could not be more readable. The even-handed tone, the supposition that readers are moderately intelligent and sophisticated, and the rather astounding involvement Allen Klein had with pop musicrsquo;s largest legendsmdash;put all that together, and yoursquo;ve got one highly engrossing read.rdquo; mdash;Yahoo! Music Idquo;Succeed[s] both as a compelling work of rock rsquo;nrsquo; roll history and as a cautionary business primer.rdquo; mdash;Wall Street Journal
