**Jerry A. Chiccarine : Along the Perkiomen (Postcard History Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Along the Perkiomen (Postcard History Series):

0 of 0 people found the following review helpful. nostalgicBy R. HillI loved reading about where I grew up. It was fun to see the postcards and try to figure out where all of the landmarks are! A definite must for anyone from that area!0 of 0 people found the following review helpful. Great transaction.By Curt WanamakerJust as described. Great transaction.0 of 0 people found the following review helpful. Down Memory LaneBy B. S. MinnisHaving grown and gone to school in the area, it was so awesome to see these pictures and bring back some great memories. Loved the book and bought another so I could share with family and friends at reunions. If you grew up in the area, you'll love this book.

The Perkiomen Creek is a picturesque stream that drains a major portion of western Montgomery County. It begins

just beyond the northern borders of the county and travels south. The creek empties into the Schuylkill River at the county's lower border. The old Perkiomen Railroad closely followed the same path. Along the Perkiomen showcases postcards of the Perkiomen Valley in Montgomery County as it existed during the first half of the twentieth century. Readers will visit the villages and towns along the creek and others nearby. This visual journey is intended to provide a glimpse of the Perkiomen region's rich history.

About the Author Jerry A. Chiccarine moved to Collegeville as a young child, when his family purchased the Perkiomen Bridge Hotel in 1945. Now residing in Evansburg, he is a member of the Historical Society of Montgomery County and an avid postcard collector.
