As with anything, it is the interpretation of the artist - but can give you an edge up to make something your own. Being new to the process of re-altering, and an avid sew'r; I am inspired to try some of these techniques myself. Also, if you are tired of cookie cutter fashion - this is one way to step outside of the (fashionista) box!Juliana [...]0 of 0 people found the following review helpful. This book was a rehash of many others. I ...By Linda PierceThis book was a rehash of many others. I am beyond most of it, so it wasn't all that helpful to me.5 of 10 people found the following review helpful. recycle those jeansBy Susan GroetchenGood info for "green" people to recycle those jeans. Not too many clothes, but lots of accessories. Well recommended for the crafty person.
