**Jupiter Kids : Amazing Coloring Outlines: Adult Coloring Books Abstract (Abstract Coloring and Art Book Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazing Coloring Outlines: Adult Coloring Books Abstract (Abstract Coloring and Art Book Series):

The designs are minimal - the "graphic designs" are nonexistent. There are so many adult coloring books printed now that no one should be taken in by this one. If it wouldn't cost me to return it I gladly would. Jupiter Kids (publisher) lists itesef - in very small print - as "Children's and Kids Fiction" - enough said. 2 of 2 people found the following review helpful. I thought this was a joke! The only joke would be someone buying it or it's paper version. By InfoHound Is this a joke? a 15 page coloring book advertisement? What's the point? And you want nearly \$7 for 15 pages, I get way better quality at the local Dollar store, I get to see exactly what I'm

buying and I get it for a fraction of the price. 1 of 2 people found the following review helpful. Art Books = Ads...SHOW Us Designs BEFORE We Buy #441...By classicsGGmaArt Books = Ads for the print versions of their coloring books. No downloads and nothing to print for coloring. What good are they for Kindle owners...None. Can't even be certain the samples we get are for this particular coloring book, as they're also samples for other coloring books. Saw the same folded paper cutout snowflakes we have been given with other Jupiter Kids and Coloring Therapist, both aka Speedy Publishing, coloring book samples. Exactly which ones are in this particular coloring book?? When we buy coloring books in stores we can look inside to see if we like the designs and check for any designs we already have. WHY Not Here On ??
