**Speedy Publishing LLC : Amazing Doodles to Color, Coloring Book (Doodles Coloring and Art Book Series)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazing Doodles to Color, Coloring Book (Doodles Coloring and Art Book Series):

0 of 0 people found the following review helpful. Cover is misleading. By KayleighThe cover is extremely misleading. The pages are just extremely simple images with an outline to fill in. I think this publisher should put an age range in the description, because this book definitely isn't for adults. I think it's more appropriate for very young children. Product reviews posted on help me tremendously in making my shopping decisions. I hope providing my reviews of the product experiences does the same for others. :) I am not afraid to leave negative feedback when warranted. At the same time, I always consider how the product is advertised, price range, and what it's intended purposes are. I put thought into the ratings I give. 0 of 0 people found the following review helpful. Three StarsBy BonMcThese designs are simple and good for beginners. I received this free for my honest and unbiased opinion. 0 of 0

people found the following review helpful. a coloring book for adultsBy Dave Ja coloring book for adults

IMPORTANT - EBOOK edition of this book is an ART BOOK and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A BONUS link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can PRINT. The download is optional, it is not the main function or purpose of this ebook - PRINT REPLICA. Doodling is a thinking technique that helps wake up your brain to accept learning. But when you're coloring doodles, thinking becomes an all the more subconscious technique. Coloring helps you acquire new knowledge especially involving hues, shapes, forms, lines and perspectives. It also helps you get better at artistic self-expression and focus, too. Grab a coloring book now!

About the AuthorAt Speedy Publishing, we envision our company and publishing arm as being a premier publisher of quick-reference materials, useful reference books, fiction books in all sub-genres and creative non-fiction to both entertain and assist readers worldwide in reading a fun and exciting books and also accomplishing their educational and professional goals.
