Zander Brietzke : American Drama in the Age of Film before purchasing it in order to gage whether or not it would be worth my time, and all praised American Drama in the Age of Film:

Is theater really dead? Does the theater, as its champions insist, really provide a more intimate experience than film? If so, how have changes in cinematic techniques and technologies altered the relationship between stage and film? What

are the inherent limitations of representing three-dimensional spaces in a two-dimensional one, and vice versa?
