Margie Walker : Amesbury (Images of Modern America) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Amesbury (Images of Modern America):

In 1968, Amesbury celebrated its 300th anniversary. Residents compiled a cookbook, commemorative coins were sold, dances and plays were held, and townspeople dressed in period costume as part of the many events for the town's tercentenary. Since then, Amesbury has grown considerably, with many new businessesfurniture makers, fine food products, Normans Restaurant, and clothing shopsemerging. Old mills have been reinvented into spaces for artists, photographers, and other creative outlets. The downtown area has been redeveloped and is a welcoming site as one

enters Amesbury. One only needs to sit in Market Square, stroll along the Riverwalk, watch the falls of the Powow River in the Millyard, or listen to a concert in the amphitheater to experience Amesburys charm. Despite a 1996 vote changing the town into a city, this great community retains the same small-town feel it has held for so many years.
