**Geeta : Amrita Sher Gil: A Painted Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amrita Sher Gil: A Painted Life:

0 of 0 people found the following review helpful. Amrita Sher Gil EncarnadinedBy T. McKearnHere is a book about a woman who did more to introduce modern art to the subcontinent of India. Her paintings are mad, wonderful creations and the cretins who published this tome thought it best if everything in it, from cover to cover, whether prose or illustrations or photographs would be best done up in red ink. 'Amrita Sher Gil: a Painted Life', has been painted red for some stupid reason. Hey, I got a swell Idiea: let's record all nine Beethoven Symphanies using one piccalo?

Today Amrita Sher Gil is an icon of modern Indian art. In her tragically short life, she blazed across the Indian art scene and challenged the landscape of the Indian imagination.
