Amy Butler : Amy Butler's Style Stitches: 12 Easy Ways to 26 Wonderful Bags before purchasing it in order to gage whether or not it would be worth my time, and all praised Amy Butler's Style Stitches: 12 Easy Ways to 26 Wonderful Bags:

0 of 0 people found the following review helpful. One of the Worst Bag Books EverBy Marie McCI was excited to receive this book, based on all the hoopla over Amy Butler bag designs which I see all over the internet. What a shock to discover that all the bags in this book are seriously hideous and the fabrics horrendous. Most of them are monstrous in size. There was not one design I'd even remotely consider modifying, not one technique here that would make the book worth keeping as a reference. No redeeming qualities at all. Worse, the font is so tiny and such a pale gray that even if I'd wanted to keep it, I wouldn't have been able to read it very easily. I sent it back IMMEDIATELY.2 of 2 people found the following review helpful. interesting book, but...By sandyI purchased this book for my kindle. There is a section in the back for patterns, but when I went there I was given an E-mail address for the book publisher and advised to E-mail them for the patterns. The E-mail address was almost impossible to read (small print, light ink, almost no contrast. I had to use a magnifying glass and puzzle out the address a few characters at a time). I received no reply from the publisher. The lack of the pattern section greatly reduced the value of the book for me.3 of 3 people found the following review helpful. book is missing patternsBy RoseIs anyone else's book missing patterns? I love most of the patterns, but when I went to make the origami bag set and reversible everyday shopper I realized that I am missing part of the shopper pattern and all of the origami bag set.

Now in ebook for the first time ever! Celebrated designer Amy Butler's most coveted products are her handbag sewing patterns. In *Style Stitches*, Butler presents an array of new bag designs for her fans across the globe. The ebook offers 12 basic patterns with enough variations to achieve 26 unique looks. Ranging from chic clutches and delicate wristlets to pretty hobo bags and handy coin purses, with instructions for altering dimensions, straps, and embellishments to get the desired look, each project incorporates Butler's fresh, modern style and attention to detail. This very special ebook includes illustrated step-by-step directions, a comprehensive techniques section, and instructions for how to print the patterns themselves, making an essential and fashionable addition to every sewer's digital library.
