This is by far the best Christmas album she has done and believe me, she helps bring the spirit of Christmas to the most reluctant of listeners. My family and I cannot go through a Christmas season without playing Amy's songs over and over and over! Give her a chance and enjoy what you listen to.0 of 0 people found the following review helpful. Enjoyed this so much!By Beth HaynesA great compilation of her best holiday songs.1 of 1 people found the following review helpful. Always amazing Amy GrantBy Ali MAmy Grant continues to be a wonderful singer. We've

enjoyed her music since the early '80's and have seen her in concert multiple times. This CD was a great substitute for not being able to attend her Christmas concert this year.

The official matching songbook to Amy Grant's best-selling Christmas album, arranged in piano/vocal/guitar format. Play and sing her renditions of classic Christmas standards along with beloved hits like "Tennessee Christmas" and "Breath of Heaven (Mary's Song)."
