Konstantin Stanislavski : An Actor's Work on a Role before purchasing it in order to gage whether or not it would be worth my time, and all praised An Actor's Work on a Role:

1 of 1 people found the following review helpful. I love Jean BenedettiBy Mr. BohemianNice cover. Jean Benedetti is a good translator. If concepts are unclear, Stanislavski himself tries to clarify when he introduces them.1 of 1 people found the following review helpful. Five StarsBy Amparo ChepoteGreat technique and reading it as we speak, another must for an Actor bibliography0 of 0 people found the following review helpful. Five StarsBy anonymousSeminal

An Actor's Work on a Role is Konstantin Stanislavski's exploration of the rehearsal process, applying the techniques of his seminal actor training system to the task of bringing truth to one's chosen role. Originally published over half a century ago as *Creating a Role*, this book was the third in a planned trilogy — after *An Actor Prepares* and *Building a Character*, now combined in *An Actor's Work* — in which Stanislavski sets out his psychological, physical and practical vision of actor training. This new translation from renowned scholar Jean Benedetti not only includes Stanislavski's original teachings, but is also furnished with invaluable supplementary material in the shape of transcripts and notes from the rehearsals themselves, reconfirming 'The System' as the cornerstone of actor training.
