**Deborah L. Duvall : An Oral History of Tahlequah and The Cherokee Nation (Voices of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Oral History of Tahlequah and The Cherokee Nation (Voices of America):

4 of 4 people found the following review helpful. The Pain Is Still Too RealBy stforI have read many books on the Native American History. I am of Mixed Blood and have always had a high interest in Cherokee culture. When I started reading this book I couldn't put it down and finished it in a few days. When I finished I was left wanting more. I frequent Tahlequah two or three time a year as my Grandmother lived there until her passing a few years ago. Next time I return I will have a whole new outlook on the town. Every story tugs at the heartstrings because of the tortures and pain that was inflicted on the true American Natives to this country. I thought I knew alot about the history, but

found many many new things I didn't know. Personally I would like to thank Ms Duvall for authoring this Great Book.1 of 1 people found the following review helpful. Great for history buffsBy NanGreat historical information and lots of wonderful pictures.0 of 0 people found the following review helpful. Tahlequah and the Cherokee NationBy sallythis is a great book, to see what life was really like in the 1800's. for anyone who thought that the Cherokees were still living in teepees

These pages are filled with memories and favorite tales that capture the essence of life in the Cherokee Nation. Ms. Duvall invites the reader to follow the tribe from its pre-historic days in the southeast, to early 20th century life in the Cookson Hills of Oklahoma. Learn about Pretty Woman, who had the power over life and death, or the mystical healing springs of Tahlequah. Spend some time with U.S. Deputy Marshals as they roam the old Cherokee Nation in pursuit of Indian Territory outlaws like Zeke Proctor and Charlie Wickliffe, or wander the famous haunted places where ghost horses still travel an ancient trail and the spirits of long-dead Spaniards still search for gold.
