Hans Christian Andersen : Andersen's fairy tales before purchasing it in order to gage whether or not it would be worth my time, and all praised Andersen's fairy tales:

Hans Christian Andersen (1805 ndash; 1875) was a Danish author. Although a prolific writer of plays, travelogues, novels, and poems, Andersen is best remembered for his fairy tales. Andersen's popularity is not limited to children; his stories, called eventyr in Danish or "fairy-tales" in English, express themes that transcend age and nationality. Andersen's fairy tales, which have been translated into more than 125 languages, have become culturally embedded in the West's collective consciousness, readily accessible to children, but presenting lessons of virtue and resilience in the face of adversity for mature readers as well. In this ebook you got eighteen of his most famous fairy tales include "The Emperor's New Clothes", "The Snow Queen", "The real princess", and many more. English Translation: H. P. Paull

(1872).
