Euripides : Andromache before purchasing it in order to gauge whether or not it would be worth my time, and all praised Andromache:

Euripides was one of the greatest Greek tragedians and is considered one of the most important figures in ancient literature. Euripides is thought to have written close to 100 plays and almost 20 of them have survived. This edition of Andromache includes a table of contents.

About the Author Euripides, the youngest of the three great Athenian playwrights, is thought to have written about ninety-two plays, of which seventeen tragedies and one satyr-play have survived.
