**Clara Erskine Clement : Angels (Mega Square Collection)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Angels (Mega Square Collection):

0 of 0 people found the following review helpful. great little titleBy Johnlovely little book with different representation of angels. very nice format and layout i recommend it if you look for a gift!

Even today, the splendid appearance of angels remains undiminished. Images of these heavenly and powerful messengers convey protection, innocence and calm, and have been an inspiration to religious artists throughout the history of art. This book illustrates the most impressive representations of angels, from delicate, whimsical cupids to majestic depictions of the archangel Michael, and from medieval to modern times.
