**John Lydon : Anger Is an Energy: My Life Uncensored** before purchasing it in order to gage whether or not it would be worth my time, and all praised Anger Is an Energy: My Life Uncensored:

5 of 5 people found the following review helpful. a good read for fansBy kcarLydon has always been an inspiration to me. This book is an enjoyable read. The style is somewhat rambling and stream of consciousness. Lydon reveals not quite all to show himself as very talented and exceptionally human.2 of 2 people found the following review helpful. Better than expectedBy Cleo ArevaloA book by Johnny Rotten?! Yes, and that is the same reason why I bought it. All this time the image of John Lyndon has been overshadowed by his alter ego, so it's refreshing to see his side of the

story. His only fault? Not giving a damn.0 of 0 people found the following review helpful. If you go after the book, you know what ...By Lisa LeoneI grew up in the 80's but was a little too young to be involved in what was happening with the bands I loved. I have always supported PiL and Johnny Rotten's solo works and other artists. Having this insight takes it to another level. People should not look up to Sid, they should recognize that Mr. John Lydon was always the brains of the operation.

From the legendary frontman of the Sex Pistols, comes the complete, unvarnished story of his life in his own words. John Lydon is an iconmdash;one of the most recognizable and influential cultural figures of the last forty years. As Johnny Rotten, he was the lead singer of the Sex Pistols—the worldrsquo;s most notorious band. The Pistols shot to fame in the mid-1970s with songs such as ldquo;Anarchy in the UKrdquo; and ldquo;God Save the Queen.rdquo; So incendiary was their impact at the time that in their native England, the Houses of Parliament questioned whether they violated the Traitors and Treasons Act, a crime that carries the death penalty to this day. The Pistols would inspire the formation of numerous other groundbreaking groups and Lydon would become the unlikely champion of a generation clamoring for change. Following on the heels of the Pistols, Lydon formed Public Image Ltd (PiL), expressing an equally urgent impulse in his character: the constant need to reinvent himself, to keep moving. From their beginnings in 1978 PiL set the groundbreaking template for a band that continues to challenge and thrive to this day, while also recording one of the eighties most powerful anthems, ldquo;Rise.rdquo; Lydon also found time for making innovative dance records with the likes of Afrika Bambaataa and Leftfield. By the nineties hersquo;d broadened his reach into other media while always maintaining his trademark invective and wit, most memorably hosting Rotten TV on VH1. John Lydon remains a captivating and dynamic figure to this daymdash;both as a musician, and, thanks to his outspoken, controversial, and from-the-hip opinions, as a cultural commentator. In Anger is an Energy, he looks back on a life full of incident, from his beginnings as a sickly child of immigrant Irish parents growing up in post-war London to his present status as a vibrant, alternative hero. The book includes 70 black-and-white and color photos, many which are rare or never-before-seen.

"A lucid, literate pleasure." ---Kirkus Starred From the Back CoverFrom the legendary front man of the Sex Pistols and Public Image Ltd comes the complete, unvarnished story of his life in his own wordsldquo;Vintage Johnny Rotten.rdquo;mdash;Daily News (New York)ldquo;Packed with . . . vivid storytelling.rdquo;mdash;San Francisco Gateldquo;A dishy chronicle.rdquo;mdash;Detailsldquo;Ridiculously entertaining.rdquo;mdash;The Telegraph (UK; four stars)ldquo;A ripe, breathless romp through an extraordinary life.rdquo;mdash;The Observer (UK)nbsp;ldquo;A companion to Lydonrsquo;s 1994 memoir, Rotten. His life is rich enough to warrant another . . . and hersquo;s a gifted enough writer to make it a fun read.rdquo;mdash;Billboardldquo;Establishes that therersquo;s much more to the person than the public persona.rdquo;mdash;Pasteldquo;Lydon is at his best when writing about his family . . . and . . . [is] quite movingin his account of Vicious.rdquo;mdash;Los Angeles Timesldquo;His passion and his intellect remain an inspiration.rdquo;mdash;NMEldquo;Unique, uncompromising, and . . . fascinating.rdquo;mdash;Mail on Sunday (UK)ldquo;A lucid, literate pleasure.rdquo;mdash;Kirkus s (starred review)About the AuthorJohn Lydon changed the game in popular music, first wreaking political chaos upon starchy mid-1970s Britain with the Sex Pistols, then shape-shifting with Public Image Ltd (PiL) as a free experimentalist. He lives in Los Angeles, California. A native of the United Kingdom, AudioFile Earphones Award winner Derek Perkins's audiobook narration skills are augmented by knowledge of three foreign languages, experience of traveling the globe, and a facility with accents. He has narrated numerous titles in a wide range of fiction and nonfiction genres.
