Diana Fisher : Animals (Learn to Draw) before purchasing it in order to gage whether or not it would be worth my time, and all praised Animals (Learn to Draw):

0 of 0 people found the following review helpful. Cute and PracticalBy Andrea HoffmanI actually got this for me, a middle aged painter trying to learn to draw. I find the instruction very clear and the pictures great. It is very helpful, whether for kids or adults.1 of 1 people found the following review helpful. Great way to teach a child to drawBy Dobrin'aThis book turned out to be a great addition to my daughter's drawing class assignments. It helps to practice drawing techniques for a certain type of objects, and does it a fun / entertaining way. I've bought several different books for birds, flowers, animal and such she can diversify and won't get bored quickly. I'd say it's perfect for kids 8+ y.o.0 of 0 people found the following review helpful. Fun!By Henry's mommyThis was a great product. Bought our for my 9 year old daughter. She loves it. Has an eaay time following along through the steps.

In *Animals*, William F. Powell invites you into his artistic world as he shows you how to re-create a variety of inspiring wildlife drawings. In this book, he explains his own personal approach to depicting animals, exploring basic drawing techniques as well as more complex concepts, such as capturing movement and developing dimension. With clear, easy-to-follow, step-by-step lessons and a wealth of beautiful animal drawings—;from a cuddly panda to a regal giraffe—;this book is sure to be a welcome addition to any artist's library of references!

From the Publisher
The History of Walter T. Foster More than 80 years ago, Mr. Walter T. Foster proved you can accomplish anything you can dream! Having painted signs, sold hog medicine, performed in a stage act -- and invented the postage-stamp vending machine -- Mr. Foster turned to publishing. The "how to" art books he wrote, illustrated, printed, bound, packaged, and shipped on his own soon grew in popularity, and Mr. Foster became well known for proving that anyone can learn to draw. Today the Walter Foster Publishing company carries on the tradition, developing books and kits that encourage creativity and spark imaginations.
About the Author
Diana Fisher is a widely published illustrator whose artwork has won her a scholarship as well as several scholastic and advertising awards. She studied fine art in New York and computer graphics in Arizona. Before concentrating on illustrating, Diana was an art teacher to children with special needs, a graphic designer, and a portrait artist. Diana paints in a variety of different media, including oil, watercolor, and acrylic. Diane lives in Tempe, AZ.
