Victor Maymudes, Jacob Maymudes : Another Side of Bob Dylan: A Personal History on the Road and off the Tracks before purchasing it in order to gage whether or not it would be worth my time, and all praised Another Side of Bob Dylan: A Personal History on the Road and off the Tracks:

4 of 4 people found the following review helpful. Recollections by a guy who "was there" with not that much to say. By Classics Collector An earnest attempt by son Jacob Maymudes to glorify his late father's life, this book is basically a first draft by scene-maker Victor Maymude in an attempt to cash in on his long friendship/sycophancy w/

Bob Dylan after a falling out. Transcribed from recollections Victor made on tape in the year before his death it unfortunately has little literary merit and insight."Another Side Of Bob Dylan" is a misnomer, it's really just a checklist of all of Maymude's claims to being on the scene at basically every counter culture major happening and trend. One would think that this insider would hold one of the essential keys to Dylan's enigmatic character but one would be wrong. Nothing is delivered, nothing is revealed, it's the last and weakest book I'll read about Dylan.3 of 3 people found the following review helpful. GreAt readBy ciscokidsisterWonderful amazing ,non stop reading ,come to love Victor and his son ,and I feel like I know Bob Dylan better ,feel like he was and is a little odd, but great music that I grew up with and still enjoy , Victor cared for Bob , so much love is in this book, the feeling that Bob cared for Victor too, but pride got in the way , we are all guilty of that, and we end up sorry when it's to late ,let's believe it was Bob that came to victors memorial.3 of 3 people found the following review helpful. Just finished reading Jacob's very sweet and informative collaborative memoirBy Mr. Reinaldo GarciaJust finished reading Jacob's very sweet and informative collaborative memoir. Victor Maymudes was transformed for me from the Dylan sidekick in the Daniel Kramer photos into a principled, resourceful, fully-rounded man and father. As with every Dylan voyeur, I wanted more Dylan--yet not less of Victor. Jacob's portrait of himself as a dutiful son may be the cause of his discretion: Many unsavory Dylan anecdotes reportedly were left out of the book. Still, a very enjoyable read.

A vivid, first-hand account of Nobel Prize-winning singer and songwriter Bob Dylan as an artist, friend, and celebrity, illustrated with never-before-seen photographs, and told by an engaging raconteur who cut his own swathe through the turbulent counterculture. August 2014 marks 50 years since Bob Dylan released his fourth album, *Another Side of Bob Dylan*. Recorded in one night, in the middle of a turbulent year in his life, the music marked a departure from Dylan's socially-conscious folk songs and began his evolution toward other directions. During the years they spent together, few people outside of Dylan's immediate family were closer than Victor Maymudes, who was Dylan's tour manager, personal friend, and travelling companion from the early days in 1960s Greenwich Village through the late 90's. *Another Side of Bob Dylan* recounts landmark events including Dylan's infamous motorcycle crash; meeting the Beatles on their first US tour; his marriage to Sara Lownds, his romances with Suze Rotolo, Joan Baez, and others; fellow travelers Ramblin' Jack Elliott, Wavy Gravy, Dennis Hopper, The Band, The Traveling Wilburys, and more; memorable concerts, and insights on Dylan's songwriting process. On January 26th, 2001, after recording more than 24 hours of taped memories in preparation for writing this book, Victor Maymudes suffered an aneurysm and died. His son Jacob has written the book, using the tapes to shape the story. A Los Angeles Times Best Seller.

Idquo;A posthumous memoir drawn from tapes of one-time Dylan insider Victor Maymudeshellip;with such intimate exposure, Dylan remains unknowable but interesting.rdquo; ?New York Daily Newsldquo;An unusual addition to the giant Dylan oeuvrehellip;an intimate, conversational account of Victor's tempestuous friendship with Mr. Dylan.rdq; ?The New York Timesldquo;We are reminded yet again that Dylan remains as meaningful as he was 50 years ago.rdq; ?Narendra Kusnur, Livemint.com nbsp;About the AuthorVICTOR MAYMUDES was Bob Dylan's tour manager at the beginning of his musical career in the early 1960s. After a brief hiatus in New Mexico, Maymudes rejoined Dylan as his tour manager from 1986 to 1996. He died in January, 2001.JACOB MAYMUDES is a writer, director and visual effects supervisor working for the Mill in Los Angeles, California.
