Jeremy Roe : Antoni Gaudí; (German Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Antoni Gaudí; (German Edition):

Antoni Gaudí; (1852-1926), Architect and Designer from Barcelona, takes a significant place in the history of the Spanish contemporary art. His approach to color, the use of various materials and the infusion of movement in his constructions are innovations in the field of architecture. Antoni Gaudí; has in his notebooks many of his ideas to his art kept: "The color in architecture must be intensive, logical and fruitful." By referring to numerous photographs and detailed architectural drawings, the author Jeremy Roe provides an analysis of the context of the Barcelona art and presents a carefully written critique of the buildings, the design objects and the fonts of the most famous Barcelona architect, Antoni Gaudí;.

Dieses Ebook ist auch als Einfu hrung fu r den Besuch von Gaudis Werk in Barcelona gedacht.
