**Kevin M McCarthy : Apalachicola Bay** before purchasing it in order to gage whether or not it would be worth my time, and all praised Apalachicola Bay:

0 of 0 people found the following review helpful. Five StarsBy Alex J. Brownniece read

From the union of the Chattahoochee and Flint Rivers at the Georgia-Florida state line, the mighty Apalachicola River flows unimpeded for about 100 miles to the Gulf of Mexico. At the river's mouth lies Apalachicola Bay and Florida's "Forgotten Coast," known for world-class seafood and seemingly endless miles of pristine beaches, shallow estuaries, and protected forests. In Apalachicola Bay, author Kevin McCarthy takes us through the history of the bay's sites and communities. With vibrant color paintings by William Trotter, Apalachicola Bay will let you savor some authentic

Florida history and see what makes this "Forgotten Coast" memorable for residents and visitors alike.

About the Author Kevin McCarthy is professor emeritus and a distinguished alumni professor of Florida studies and English at the University of Florida in Gainesville, where he taught for 33 years. He has written many books for Pineapple Press.
