Pam Thompson : Around Aladdin (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Around Aladdin (Images of America):

0 of 0 people found the following review helpful. Great HistoryBy William BrownGreat book for family history buffs. Lots of information about Crook County Wyoming, and I found some information about some of my relatives. Well worth the cost.

Aladdin is located in northeast Crook County, in the far northeast corner of Wyoming. The town, the lowest settlement in the state at 3,749 feet, is surrounded by vast plains of waving grass, wooded mountains, and rolling hills. Coal mining brought the early families to the area and has since formed the histories and memories of the people who came

and worked to build farms and ranches. Descendents of many of the original settlers still reside in the community, working and raising their families. Around Aladdin contains the stories and memories of those that came to make this part of Wyoming a place to call home for a long, long time.

About the Author
Pam Thompson serves on the Crook County Museum District Board of Trustees, which strives to care for the history of Crook County. After living in the Southwest for many years, Pam now resides north of Aladdin with her husband, two Missouri Fox Trotters, and her red heeler dog, Earl.
