**Nancy Yacci : Around Canandaigua (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Around Canandaigua (Images of America):

0 of 0 people found the following review helpful. Great book!By BusqueenWe bought this book after we visited Canandaigua on a genealogy research trip to the area. The photos of the houses that were built before 1850 gave us a sense of the town when our ancestors lived there. The history was very informative, too!

As we approach the end of the century, this new book looks back at over one hundred years of Canandaigua's history, with photographs of the people, places, and events that have defined the proud and vibrant community we know so well today. Over 200 never before published photographs are presented in this pictorial history, which spans the early 1800's through the early 1950's. Readers will be fascinated by the immense changes that have occurred since the early days, but will also draw connections to the present and can savor the fact that Canandaigua still holds numerous

charms of yesteryear. Works from the collection of renowned area photographer Henry Boyce are featured here. This artist's work documented the events and people that shaped Canandaigua's history and community. Rare images of philanthropist Mary Clarke Thompson and her Sonnenberg Gardens will delight readers. Also included are many photographs of Canandaigua's early downtown area. (This is a reissue of ISBN 0-7524-0464-4)

**About the Author**With Around Canandaigua, the Ontario County Historical Society has certainly created a journey into the past that will bring reminiscence and recollection to older people and revelation to the young.
