Around CurwensvilleBy LynnI knew this was a good book. I got one for my husband. I got this second one for my uncle. Very good book.

Curwensville, one of the oldest towns in Clearfield County, began as a lumber town. Some of the area's finest families

made their fortunes by harvesting the tall pine trees that were used as ship masts. The Irvin and Patton families were instrumental in the development of the town, as they brought the railroad to the area and contributed to the schools, banks, and a water system. In the 20th century, industries such as brick making, stone quarries, and tanneries became vital to the community. Bringing to life an era when every settlement was a stop on the railroad route, Around Curwensville is an exciting collection of historic photographs from Curwensville and surrounding towns, including Clearfield, Grampian, and DuBois.
