**David E. Martin : Around Oswegatchie (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Around Oswegatchie (Images of America):

0 of 0 people found the following review helpful. Worth readingBy George GatesCharming book, lacks polish but for anyone with friends or family from that area it will bring a smile and a better understanding of that area.0 of 0 people found the following review helpful. Good Historical InformationBy Paul WilsonWe enjoyed reading about the history of Oswegatchie. Several members of my wife's family can be traced back to this town. It was great to see that someone had taken the time to write about its history.

Around Oswegatchie provides a vivid look at the lifestyle of an area of far northern New York State during the time that it depended primarily on an agrarian existence. In its early days, the town of Oswegatchie was subdivided numerous times into new townships. From Oswegatchie, Lisbon, Morristown, and DePeyster came artists, politicians,

industrialists, inventors, and Civil War heroes-- people who left their footprints on a nation and helped make a better life for all.

**About the Author**David E. Martin is also the author of Ogdensburg and coauthor of Massena. For Around Oswegatchie, he has assembled images from the St. Lawrence County Historical Association, the village of Rensselaer Falls, and the town historians of Oswegatchie, Lisbon, and DePeyster. A longtime collector of vintage pictures, he is an active member of the St. Lawrence County Historical Association and works in conjunction with local museums and historical groups to bring the past into the present so that local heritage will not be forgotten.
