**Christoph Noe, Lasse Steiner, Magnus Resch : Art Collector Report KINDLE EDITION** before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Collector Report KINDLE EDITION:

0 of 0 people found the following review helpful. Very insightful view into the art collectors worldBy Eli pushkarNicely organized and presented. The book is the result of a significant effort to glimpse into the world of private art collectors

The Larry's List team consists of art market researchers from around the world. Currently, we have more than 20 nationalities, each researcher with a background in art history or experience with art dealing. Which city in the world has the highest density of 2014 contemporary art collectors? Which country? Why does Germany almost have as many private art museums as the us? And what are the future trends for the global collectors scene? What you get: Unique Information on Art Collectors! The report offers detailed information on leading art collectors around the world. Our

researchers carefully selected the data manually.
