**Kathy Kipp : Art Journey America Landscapes: 89 Painters' Perspectives** before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Journey America Landscapes: 89 Painters' Perspectives:

2 of 2 people found the following review helpful. Images problematic in kindle editionBy stargazerI'll say first that I think that the art collected here is interesting and varied. Many of the paintings seem to be technically superior. I say "seem" to be, because the images in the Kindle version of this publication had their file size reduced, I suppose for faster download. Thus, every time I saw an image that I wanted to look at, the moment I zoomed in, it would pixilate, rendering any detail impossible to see. As an artist, being unable to see a work well in beyond frustrating. The original images in the text are tiny, even on my iPad. I'm sure they are large and lovely in the print edition. I've returned the electronic edition, and will purchase the book.0 of 0 people found the following review helpful. Five StarsBy Rosemarie Solomonlovely book by great artists. thank you6 of 6 people found the following review helpful.

inspirationBy paigeA good coffee table book, if you want some inspiration definately a good choice but not if you are looking for technique

Showcasing the work of more than 100 top contemporary American master artists of our day, this book features landscapes (a popular subject for art collectors and a tradition throughout American art history) from all across the country—east and west, north and south—rendered in watercolor, oil, acrylic, pastel, colored pencil and mixed media. Accompanying each painting are the thoughts, techniques and inspirations for the paintings by each artist.

**About the Author**Kathryn Kipp is Acquisitions Development Editor for North Light Books. In her 25-year career as an art instruction book editor, she has produced more than 200 titles, specializing in fine art and decorative painting. Ms. Kipp resides in Cincinnati, Ohio.
