**Vincent Arthur Smith : Art of India (Temporis Collection)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Art of India (Temporis Collection):

If the 'Palace of Love', otherwise known as the Taj Mahal, is considered to be the emblem of Mughal Art, it is by no means the sole representative. Characterised by its elegance, splendor, and Persian and European influences, Mughal Art manifests itself equally well in architecture and painting as in decorative art.

About the Author Sun Tzu was a legendary Chinese thinker, producing several works on military strategy and the philosophy of war. Much of his biographical information remains a mystery, but it is believed that he was an accomplished general. His text has become an essential reference, both historical and philosophical. Victoria Charles received her Ph.D. in art history. She has published extensively on art history and has contributed to Art Information, an international guide to contemporary art. She is a regular contributor to journals and magazines.
