Mary Emmerling : Art of Turquoise before purchasing it in order to gage whether or not it would be worth my time, and all praised Art of Turquoise:

3 of 3 people found the following review helpful. What a WASTE! The book is about Turquoise peopleBy Angel StardustThe only COLOR is the cover! This whole book is black and white, cheap paper pages, not even glossy. What a WASTE! The book is about Turquoise people.....what good is black and white! SENDING IT BACK!0 of 0 people found the following review helpful. Misleading TitleBy Deborah HamelThe author led me to believe by the title and cover art, that it would be a book dealing with the stone turquoise, not the color turquoise. While there are beautiful photographs of quality Native American turquoise jewelry that make up the last 2/3 of the book, there isn't much information about any of it. It is a pretty book, but not much more than that.0 of 0 people found the following review helpful. Five StarsBy A. MillerBeautiful pictures and interesting. Great for coffee table, conversation book.

Turquoise and silver is an icon of the American Southwest. For generations, people have ogled these gemstones in pawn shops, jewelry shops and antiques stores, looking for a special piece of Native American jewelry that speaks to their heart. Southwest jewelry is now valued and collected around the world. Photographs of collectible pieces reveal what the attraction is about. Whether in shades of pale aqua or deeper aquamarine, blue or jade green, Mary Emmerling reveals that the collector's hunt is about color. And beyond jewelry, the color turquoise appears throughout the Southwest in architecture and decoration. After all, it's the color of calm.

About the AuthorOne of the best-known names in American decorating, Mary Emmerling is the author of twenty

books, many of them part of her American Country series. She is creative director of Country Home magazine and host of the Country at Home series on HGTV as well as a designer and collector. She lives in Des Moines, Iowa; Santa Fe, New Mexico; and Phoenix, Arizona. Jim Arndt is the author of How to Be a Cowboy and coauthor with Mary Emmerling of Art of the Cross, Art of Turquoise, Art of the Skull and Art of the Heart. He coauthored several Cowboy Boot books. He lives in Santa Fe. Excerpt. copy; Reprinted by permission. All rights reserved. Everybody collects something! The sterling silver Navajo spoons initially look like a matching set, but each has a different design. Jewelry on display means you can enjoy it all the time and also remember to wear it.
