The book is a picture book of the "fantasy art shoes" that were displayed in the Stuart Weitzman flagship store window in NY. The shoes are designs from other artists - NOT Stuart or Jane.Maybe Jane will do another book abt her husbands shoes! That would be nice:)2 of 2 people found the following review helpful. I'm buying several copies for holiday gifts for all my shoe-loving friends.0 of 0 people found the following review helpful. Five StarsBy V. Jonesbeautiful pictures, amazing artwork.
